

DCHS STUDENT DRIVER PERMISSION FORM AND CONTRACT FOR ACTIVITIES

Due to the cost of travel and mileage that some students travel, this form will allow parent's to give permission for their son/daughter to drive their car to the designated drop off spot as they go to their activity and then be dropped by the bus driver at the drop off spot on the way home. This privilege will also be allowed on weekends so the student(s) can drive to the drop off spot and be picked up there instead of having to come to school.

GUIDELINES

The parent and student must have this form signed and on file in the High School Office.

The **parent must send a note or call the office every day they want their son/daughter to drive to the drop off spot. If the student is to be picked up on Saturday at the drop off spot, the note or phone call must be made on Friday to the office.** DO NOT CALL THE COACH ON SATURDAY MORNING TO MAKE THESE ARRANGEMENTS.

Only the son/daughter who has the permission of the parent to drive that day will be allowed in the vehicle when leaving from school during the week. Siblings must ride the bus. Siblings can get off at the drop off point after the game to ride home.

The student driving must follow directly behind the bus to the drop off spot. They are to leave from the school parking lot as the bus leaves.
